support@travelcomm.us

TO ACCESS VOICEMAIL:

1. Dial + 44 780 209 0100 and press SEND.
2. The voicemail access number will be sent to the message inbox of the phone via text message.
3. Dial the voicemail number as it appears in the text message (replace 00 with the + character) and press SEND.
4. Press the 0/* key to interrupt the greeting.
5. At the voice prompt, enter you pin number 3333.
6. Follow the prompts to listen to your messages.
7. Press the END key when finished.

TO REACH YOU:

1. The caller must dial the International prefix, which is specific to the country they are calling from, followed by your International number (the International prefix for the U.S. 011).*
2. If you have a local (toll-free) number, U.S callers can dial that number instead of the long distance number.

*Long distance charges may apply to any person in the USA dialing your mobile number.

TO PLACE A CALL:

1. Press and hold the 0/* key to bring up the international prefix +.
(Note: + character replaces the international access code 00)
2. Enter the country code, followed by the area code and phone number you wish to reach.

Examples:

Local call: London to London

Dial **+44 123 456 7890**

country code area code phone number

International Call: London to USA:

Dial: **+ 1 301 960 0078**

country code area code phone number

3. To call the number, press SEND key.
4. Press END key to end call (or to cancel call).
